# Our STA Mission Statement

“Loved by God, in our faith community, we **live** and **learn** together. We **serve** others, as Jesus served.”

## LIVE

All children have a divine origin and an eternal destiny.  
Each child is unique and is made in the image of God, their Creator.

As co-creators, the education and formation of the whole person is at the centre of what we do.

Parents are the primary educators of their children and our role is to support them wherever possible.

## LEARN

## SERVE

When we welcome the child we welcome the whole family, whatever form it takes.  
Jesus Christ is our role model for service and the summons to love everyone.

Our school is based on the Gospel values of faithfulness and integrity, dignity and compassion, humility and gentleness, forgiveness and mercy, tolerance and peace, service and sacrifice.

We strive to make this a place where children and adults – staff, parents and visitors alike have an opportunity to experience the Kingdom – a community of love, rooted in faith and presenting a picture of Christ to catch the imagination.

## **Introduction**

St Anthony's VC Academy exists to help parents and carers educate children spiritually, morally, physically and academically as well as possible.

We aim to be a truly Christian community, where our relationships are built on encouragement, concern, respect, forgiveness and reconciliation.

Our religious life is rooted in the faith, practice and moral teaching of the Roman Catholic Church.

Each person in our community is specially valued and has an important part to play in making sure that we live out our mission.

## **The Nature of Collective Worship**

We believe that Christian worship in a Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

## **The Place of Collective Worship in the Life of our School**

Worship in this school is more than just a legal requirement. It is an integral part of school life and central to the Catholic tradition.

Collective worship takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church;
- Those for whom school may be their first and only experience of church;
- Those from other Christian traditions – or none;
- Those from other faith backgrounds.

It will be an educational activity or experience to which all can contribute and from which all can gain.

## **The Aims of Collective Worship**

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To reinforce prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully

## Principles

All Acts of Worship in this school will:

- Give glory and honour to God;
- Be a quality activity, fundamental to the life of the school and its Catholic character;
- Develop in pupils, skills that enable them to prepare, organise and lead worship rather than always participating or contributing in a token way;
- Give pupils positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church<sup>1</sup>. In order to do this, celebrations will:
  - be kept small wherever possible or appropriate to help to personalise the experience;
  - be short and appropriately paced (children's attention span lasts in any one activity for an average of one minute per year of life, *i.e.* 5-6 minutes for Key Stage 1 and 7-10 minutes for Key Stage 2);
  - be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

Collective worship in our school will be:

- properly planned
- adequately resourced
- recorded
- monitored
- evaluated

Collective Worship takes place every day and fully supports and promotes our Catholic Christian traditions:

### Organisation:

Our Collective Worship is planned and led by the Headteacher, Senior Leadership Team, Chaplaincy Co-ordinator and Junior Chaplaincy Team. Class teachers also assist children in planning and leading class based liturgies. We try as much as possible to involve the children in planning and leading Collective Worship. Regular training is carried out to ensure staff are familiar with the essential elements of liturgical planning, notably new staff.

### Collective Worship Timetable

Our weekly timetable is usually as set out below:

#### **Monday - Sunday Gospel Liturgy**

Based on the Gospel from the previous day. Delivered in phases by class teachers.

#### **Tuesday - Statements to Live By**

Based around a weekly statement. Delivered by the Junior Chaplaincy Team and Mr Coyle.

#### **Wednesday - Class Worship**

Planned, delivered and evaluated by children in classes, appropriate to their age.

#### **Thursday – Sing Your Praises!**

Hymn practice. Delivered in phases

#### **Friday - Sparkle Assembly**

A celebration of the week. With prayers led by our RE ambassadors.

## **Special Liturgies and Feast Days**

Other Liturgies vary according to the needs of the school and the season.

During the year Liturgies celebrate:

- Harvest
- Advent, including reconciliation liturgy
- Lent, including reconciliation liturgy
- Holy Week and Easter
- Pentecost

Masses and other focused days

In addition to this, we celebrate our Catholic Faith in School Masses each term and through focused days led by the St Cuthbert's Chaplaincy Team through the year. Our Masses are celebrated by Fr Anthony and supported by Deacon Bob.

## **The Planning, Content and Delivery of Collective Worship**

Each class has their own liturgy box which contains the basics for developing class based reflection areas and focal points for collective worship. The box includes the colours of the liturgical year to ensure that our seasons are easy to follow. It also contains a liturgy planning pack as introduced by the diocese to encourage confidence in pupils planning and leading their own liturgies. The children are now familiar with the four elements of liturgy planning: Gather, Word, Respond & Mission and this is evident in class files of Collective Worship.

Collective Worship is planned:

- following a structure with reference to the Liturgical year, 'Come and See', significant dates, Statements of Belief and the curriculum
- with flexibility to respond to changing situations within the school and the wider community

We believe that children are best introduced to prayer, the Sacraments and particularly the Eucharist in a step by step approach, reflected in the progression of 'Come & See'.

## **The Role of Music in Collective Worship**

We as a school, recognise the value of liturgical music in the life of the school. We are keen to engage children in worship using a balance of traditional hymns and contemporary worship music. We discuss the nature of the music and the meaning of scripture within hymns and these form important ways of teaching about Christ.

## **Appendix 2 - Legal Requirements**

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. (This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups.) We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education.

As a rule, acts of worship will take place on the school premises. However, the governing body has the discretion to allow acts of worship to be held elsewhere e.g. church, "on a special occasion".

In this school, as with any Voluntary Aided School, responsibility for arranging Collective Worship rests with the Governing Body after consultation with the Headteacher.

Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents will be made aware of the fact that it can never be confined to 'timetabled slots' but may take place in a variety of contexts other than those which are specifically structured.
