St Anthony's VC Academy NEWSLETTER

Message from Mrs Eley:

Wow! What a great start back to our new school year. The children have made brilliant first impressions with their new teachers, they have really settled in and are enjoying their learning. It has been amazing to have the children accessing more of what school can offer and classrooms have been filled with smiles. We have so many things going on outside of the normal school curriculum and cannot wait to share our successes across the year as our children sparkle in all they do. Lastly, a big thank you to all parents in supporting a smooth start to the new school year, please get in touch if have any questions or need any support with anything. #STAsparkle
