Message from Mrs Eley:

I cannot praise the children enough for their first half term this school year! It has been a busy but fantastic one as we have started to introduce more of our usual school activities. It has been brilliant to have parents back in the building to meet with teachers this week. The meetings were extremely successful and the feedback from parents was very positive – we are so grateful for all the continued support. Thank you! The results of the parent survey will be sent out after half term; once year 1 parents have had their meetings.

We hope you have an enjoyable and restful half term planned and we will look forward to seeing everyone on Monday 1st November.

Have a lovely week.

Mrs Eley
