St Anthony's VC Academy Newsletter

Message from Mrs Eley:

I hope everyone is well and managing to keep in some kind of routine in this unusual time. We have seen some brilliant engagement with learning over the last week and expect to see a lot more over our last week before half term. It has been children's mental health week this week and many of the children have been undertaking activities around this. Should you have any pictures of your mental health work or pictures of things you do to relax please send them on google classroom or over email - we would love to see them. I hope you are ready to work hard for our last week this half term. Take care and get in touch if you need anything.

#STA Sparkle.

Our sparkle children this week are:

- FS – **Sophie W** – Following routines well and having a positive attitude
- Y1 – **Willow** – Great reading and writing work
- Y2 – **Tiana** – Fantastic home learning
- Y3 – **Oscar** – Brilliant dividing work
- Y4 – **Antoni** – Trying his best with a smile on his face
- Y5 – **Junior** – Fantastic writing and excellent use of vocabulary
- Y6 – **Tallulah** – Fantastic presentation in home learning

School Closes:

12/02/21

School Opens:

22/02/21

Gratitude and Emotion Tracker

Use the emotions and gratitude tracker on the back of this newsletter. Think of 6 emotions and colour in each square with a different colour to represent the emotion.

Colour in the 2 outer parts with the 2 emotions that best describe your day and in the inner part write something you were grateful for.

Sometimes its tough to do this when perhaps you're having a sad or anxious day but it can be anything at all no matter how little or small.

Outdoor/Indoor Activity of the week!

Outdoor: Create some wild art. You can use any natural materials that you find outside. What will you make a picture of? Maybe you could make a pattern?

Indoor: Choose a song that everyone in your family loves. Work together to create a dance routine for the song. You could even make a video of it!

Home Learning packs must be collected from 9am every Monday morning and completed packs from the week before should be dropped off in the correct box outside the school office.
