St Anthony's VC Academy NEWSLETTER

Message from Mrs Eley:

Well done everyone, you have made it to what, hopefully, is the last day of remote learning! You have all done so well and we cannot thank parents enough for the support with remote school learning during this time. We cannot wait to have everyone back – the teachers have some exciting things planned and cannot wait to see all the pupils back in their classrooms. As I explained in the letter, which was sent out at the start of the week, all safety measures put in place before lockdown will remain and we will be grateful of your help with this during morning drop off and after school pick up. Please get in touch if you have any questions regarding the return to school. Have a great weekend and I will look forward to seeing you all on Monday!

Attendance is mandatory, pupils have to return unless they

- Have coronavirus symptoms or have tested positive
- Live with someone who has symptoms or have tested positive
- Are a close contact of someone who has tested positive

Our sparkle children this week are:

- FS – Harry-James
- Y1 – Noah
- Y2 – Elizabete
- Y3 – Maxims
- Y4 – Declan
- Y5 – Nelly
- Y6 – Julia Z

Masks Reminder

The safety of our school community is very important to us at St Anthony's and therefore we would like to encourage all parents and carers to wear a mask in any location where social distancing may not be possible such as playgrounds at drop off and collection times. **As well as following the one-way system at all times.**

Water bottles
Children should bring the absolute minimum from home – all that is required is a clear water bottle and PE Kits. No other personal belongings/equipment should be brought into school. Everything will be provided.

School Chromebooks/Books

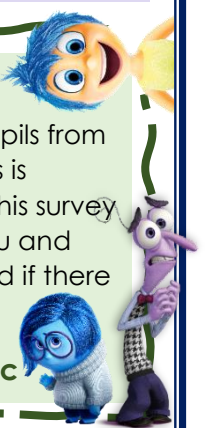

Please make sure that all school books or resources loaned over lockdown are returned to school on Monday. Also, please make sure that the Chromebooks (laptops) are returned to school as soon as possible so that we can clean them and use them in school again – please do not clean them before return as they can easily break!

Return to school & Wellbeing Survey

We are looking forward to the return of all pupils from Monday 8th, however we are aware that this is uncertain times for others. Please complete this survey to give us a better understanding on how you and your child/ren are feeling about returning and if there is anything we can do to help.
