Staff Car Park

Just a reminder that parents/carers are not permitted to use the staff car park at all times. We are tremendously excited to be taking over as Co-Heads of School at St. Anthony's. Both of us are incredibly proud of our wonderful school, our dedicated staff and our hardworking and talented children. As Co-heads, we will continue to work with the families, local community and our partner Trust schools, to ensure that we deliver the highest quality education for our children; one that is rich in both knowledge, experience, develops self-confidence and an unbounded enthusiasm for learning. As always, our aim is to give our children every opportunity to #STASparkle!

Foundation Stage Reverse Advent

FS did a reverse advent in class. The children brought in food, and we added one piece of food to our advent box each day leading up to the holidays.

We would like to thank all our parents and carers for the donations brought into school. It has been donated to Cottingham Food

Natasha's Law

Natasha's Law came into effect on 1st October 2021. It requires all food given by the school to children to provide full ingredient lists with clear allergen labelling. If you would like to bring cakes in for your child's Birthday, please make sure they are shop brought. This way we can see the full list of ingredients following Natasha's Law.

Thank you
