St Anthony's VC Academy Newsletter

Message from Co-Heads

It has been wonderful to see the sun shining at St Anthony's in recent weeks - Spring is on the way! And with it comes new life, new energy and new beginnings. For two of our STA family, this is especially true: Miss Bahn and Miss Kobus will both be leaving our school to begin a new chapter elsewhere. On behalf of all of our children and staff, we would like to thank them for everything they have done for our school and wish them health and happiness in their futures! You will be truly missed!

Our children have been working hard in school and really showing their #STAsparkle! We are looking forward to welcoming families into school to share our learning more and more over the coming term - watch this space!

Mrs Storch and Mr Ward

Good luck Miss Bahn

Miss Bahn has been a dedicated member of our school family for 13 years! Her care, patience and humour has made her a staff member much loved by pupils and colleagues. We support her decision to explore a different career and wish her the very best of luck!

- Year 6 PGL trip – 10/06/22

Neurodiversity

St Anthony's have been celebrating #Neurodiversity this week

Have you noticed that some people think, learn and processes different than others?

Last day of term: 8th April

There's lots of excitement in Y5 as our runner beans are starting to grow!

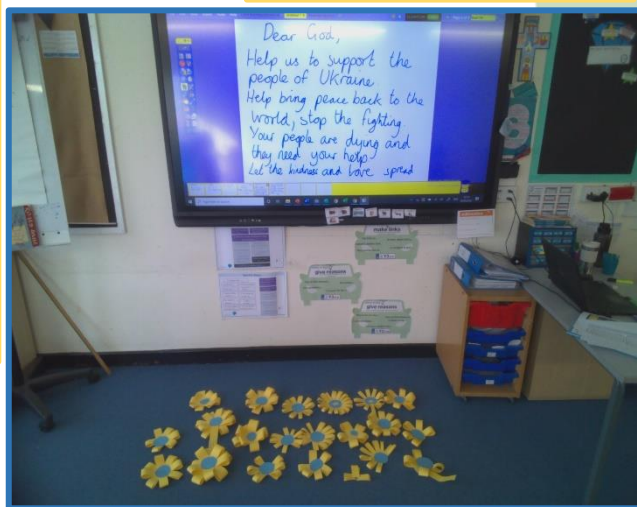

Thank you to St Mary Queen of Martyrs RE Ambassadors for showing us around their lively school! We can't wait for you to visit us!

Year 3 have been creating sunflowers and writing a class prayer to support the people of Ukraine.

It's happening!!!
Phil Earle is with us!

We let the chicks stretch their legs while we changed their bedding. We noticed they are growing feathers on their wings!
