St Anthony's VC Academy Newsletter

Message from Mrs Eley:

Another few weeks of the Autumn term have whizzed by, and we are fast approaching December! The last two weeks have seen three classes undertake swimming, they have tried really hard, and we even had a member of the public email school to praise the children for their fantastic behaviour and lovely manners. The term seems to be action packed as more of our children undertake trips, attend workshops, take part in clubs, attend tutoring, and share with parents in our 'Share and Prayer' sessions. Please look out for more events such as 'Share and Prayer' as we begin to increase opportunities for parents to join us in school. We are looking forward to all our December events and will send many pictures in our last newsletter before the end of term. As always if we can help with anything, please get in touch.

Mrs Eley
