

Our STA Mission Statement

LIVE

To give every member of the St Anthony's family the experiences to encounter Christ and know that they are loved by Him.

ST ANTHONY'S
VC ACADEMY

SERVE

To grow in the Christian virtues of Charity and Service to others, in Faith, Hope and Love.

“Loved by God, in our faith community, we **live** and **learn** together.

We **serve** others, as Jesus served.”

LEARN

To enable all to meet their full potential and show their sparkle through excellent academic opportunities for learning and personal development.

We strive to make St Anthony's a place where children and adults – staff, parents and visitors alike have an opportunity to experience Christ and rise up to share that encounter with others throughout their lives.
